REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our W-EMS family began to embrace the implementation of Common Core and its alignment with Smarter Balanced testing. We discovered that mathematizing is crucial. We must cultivate students' interest by guiding them to form their own questions, to express their own thoughts, and to connect their learning to real life situations. We did not deter from our tradition of colleges and university visits, Career Fairs, and job shadowing opportunities, and utilizing the Individual Graduate Plans to alert students regarding the subjects that will be required to venture into specified occupational fields of work. Again, we adorned our graduation gear the week prior to PASS to reinforce the significance of working for and wearing the tassel that leads to success. Our students' trip to Florida incited their interest in pursuing leadership roles.

We extended our traditional yearly Service Learning Projects by being instrumental in raising funds for Relay for Life. Some students participated in "Run Like the Devil." We rendered our services by contributing food to the Golden Harvest Bank, collecting stuffed animals for the Barnwell County Sheriff's Department, cleaning the park, visiting patients in the nursing home, and assisted with Special Olympics.

We were honored as being named a recipient of the Palmetto Silver Award. In addition, all students in Algebra I and 95 per cent of those enrolled in English I passed their EOC tests.

We know that we must intensify our reading instruction to meet the challenge we are now confronted. We have no time to bemoan what is not, but must exert our efforts to ensure our future, our children. Parents and other stakeholders, we ask for your continued support as we strive for the best. Thank you for assisting us in our journey to obtain success!
